## PROFESSIONAL EXPERIENCE

---

**Fresher**

---

## PROFILE

---

Hello! I'm Prakash Mishra, a passionate Frontend Developer from India. I have completed my **Bachelor of Computer Applications (BCA)** from **Chaudhary Charan Singh University, Meerut**. I enjoy creating beautiful and responsive websites using HTML, CSS, JavaScript, and React.js.

I have built multiple real-world projects like an e-commerce website, portfolio, QR code generator, and a book-selling platform. I focus on clean design, smooth animations, and mobile-friendly layouts. I'm always excited to learn new tools and grow as a developer.

## PROJECTS

---

**My Portfolio** 🔗

*My Professional Snapshot in One Page*

Designed and developed a personal portfolio using React.js. It includes my introduction, skills, projects, resume, and contact form. The website is responsive, animated, and built to showcase my frontend development work.

**Real Estate Website** [↗](#)

*Modern Property Search with Stylish UI*

A fully responsive and visually stunning Real Estate website built using React.js and CSS. The platform allows users to explore premium property listings, view detailed information, and navigate through different sections with smooth animations and an elegant color scheme.

**Portfolio Project** [↗](#)

*A client portfolio stylish finishing*

A modern, responsive portfolio website built with React.js and CSS to showcase professional skills, projects, and achievements. The design features smooth animations, a clean layout, and a luxurious color palette to create a premium visual experience.
